### **How does Showcase work for Plie Prep festival?**

Each studio will have a group representing them in the Final Showcase on Sunday. Once we know who it is from our studio we will let you know through social media and our Band group.

Each studio will be performing for a **CHARITY** of their choice!!!! Our studio's charity is the **KINETTE CLUB OF SPRUCE GROVE**.

The winner of the Showcase will split the prize money with their group and their charity. We love this idea!!

Note: there is an **ADMISSION BY DONATION** for all spectators to the Showcase which goes to the prize \$\$
